

Rogers is working on a plan to crack down on (so-called) HATE groups...Rogers believes he can bring action against them for sending HATE material through the mails... Rogers may use the CIVIL RIGHTS statutes to prosecute the HATE groups." These people continually use the word "HATE" to smear patriots.

As in the Soviet Union, then, the Bible may be barred, since it is based on the teaching: "Hate the Evil and love its good." (Amos 5:15).

When B'nai B'rith banqueted and awarded the whole Congress (many refused to attend) for passing the Civil Rights Act of 1957, at the Mayflower, Hotel, Washington, D.C., 3/3/58, triumph was mingled with insistence, and assurances from their friends in Congress, that the Act must, and would be, completed with Part III!

Now!

As communists, Zionists and leftist delegations swarm to Congress, PETITION, BEG, CONGRESSMEN NOW! NOT to sell us and themselves out! NOT to put us under Red slavery! NOT to end their own debating or "filibustering" rights! NOT to enact COMMUNIST-backed Part III of the Civil Rights Act! WRITE THEM NOW—or you may hear echoed about your own lost freedom those words of Christ after He had asked His disciples to watch and pray, only to find them for the 3rd time ASLEEP. He said: "Sleep on now, and take your rest; it is enough, the hour is come; behold, the Son of man is betrayed into the hands of sinners" (Mark 14:41).

Have the courage and determination to oppose this Marxist move to enslave our wonderful country, or your children, and your children's children, will never forgive you. These Marxists are destroying our Constitution and want to destroy Freedom of the Press as well.

organizations fighting bigotry and intolerance and strengthening intergroup relations. (Which, being interpreted, means fighting for the destruction of the White Christian race through integration and race-mixing!) JDA is currently seeking \$5,600,000 nationally to meet the minimal budgetary requirements of AJC and ADL..

ADL is the Jewish Anti-Defamation League (secret police) that maintains Soviet-like dossiers on all name-called "anti-Semites" and practices bigotry, persecution and defamation against them, while it spouts 'brotherhood' in order to keep itself off the hot griddle. This same issue of Heritage has an editorial titled, "Depraved Nightmare-Disjointed Soul," which ridicules and defames White Christian patriots in the accepted Jewish manner.

Think what indigent little Christian American patriots could do with these millions of dollars handed to them by the public, on a golden platter, such as the Jews regularly collect! And the above is only one of the many such continuous national drives for funds. This effectively explodes the lies first above quoted, and puts the shoe on the other foot—where it belongs. Their own literature amply proves this contention. These huge funds are used for their own selfish racial, religious and national (Israeli) purposes. My mail, these days, consists largely of appeals from indignant, indigent Christians, of which I am one. Who has all the money and why?

This same Javits is sponsoring a bill in Congress, together with his cohort, Emanuel Celler, also of N.Y., chairman of the House Judiciary Committee, to deprive Christian Constitutional patriots (called 'hatemongers' by the Jewish press) of their pre-eminent Constitutional right to use the mails, to present their side of matters vitally affecting our country. But of course there is not intended to be any investigation or hamstringing of the virulent anti-Christian Jewish publications! ---

In defiance of all established law, justice, and court rulings on the subject, organized Jewry's very voluminous, lush, uninhibited press, which blankets this once-Christian land as a plague of locusts, smears and vilifies and name-calls and destroys the reputations (and jobs) of up-standing Christian Constitutional Americans with impunity, just as does this same issue of Heritage. They work arduously to establish it as a crime here (as in USSR and other Iron Curtain countries) to justifiably criticize the activities of organized Jewry, especially the ADL. Judge Peter M. Horn of N.Y., once ruled as against using the smear-word 'anti-Semitic' to destroy innocent Americans, as follows:

"It is a principle essential to the very existence of a government of laws and of civil liberty, that no man can be punished except by the cooperation of law and after a trial according to the forms of law, with such aids and shields as the rules of law afford him: that individuals cannot take the execution of the laws into their own hands as to these Jewish editors, the ADL et al... I believe it most dangerous for our society to think that any group of men might set themselves up as a super-tribunal... then pronounce him by terms of a label which, as in this case, is admitted by the defendant (Birkhead) was circulated throughout the country to 10,000 people. I think that is a dangerous practice."

If Jewish and other communists are privileged (and protected) by the Fifth Amendment not to testify against themselves because it would tend to incriminate them, then what about this unconstitutional and unlawful incrimination and defamation of innocent citizens, when nothing unlawful has been proven against them? Aren't their rights as good as those of communist traitors to America?

Jewry's great wealth enables their numerous lush publications to reach millions, especially since, for some years past, they admittedly have been writing much literature (propaganda) now used by both Protestant and Catholic churches, who are thereby being skillfully inoculated with Judaism rather than Christianity. These activities are documented in the American Jewish Committee budgets for 1953 and 1954. Their Interreligious Activities Div. "seeks to encourage and assist Protestant and Catholic churches and church groups to develop education and social action programs that will create favorable attitudes towards Jews and Judaism." (from p. 55, 1954 Budget). "We plan to continue our close contacts with both the Protestant and Catholic press, not only to provide factual information in areas of mutual concern..." (p. 56). And from their 1953 Budget: "...our Christian educators have come to regard our agency as having special competence in intergroup education and have no hesitation in calling upon us for counsel." (page 96). These so-called 'Christian' churches and ministers must be totally bereft of brains, dedication, and inspiration from their true leader, the Christian Christ! These proselyters, as well as their victims, should well remember St. Matthew 18:6 as well as Matthew 23:15.

Yet despite this propagandizing of their victims in an effort to make the Christian love the Jew, Zionist Jewry's organizations and publications (as well as their cats paws such as Drew Pearson) play continually upon the word "HATE" and "hatemongering" which they apply indiscriminately to anyone and everyone who does truly attempt to follow in the footsteps of the Christ, and who dares to expose or criticize THEM in any way, no matter how truthfully. They use these words "hate" and "anti-Semitic" in an effort to defame their victims and make them persona non grata with the public, all of which is, or should be, lawfully libelous. They give us no benefit of the doubt as to our high motives and principles in trying to "preserve, protect and defend" our country, our race, our Christian religion, just as they labor militantly to do the same for theirs. According to them, we have no Constitutional right to do this in and for

our OWN country, while they work arduously and collect huge funds for Talmudic Judaism (which is anti-Christian) and for their foreign State of Israel.

In short, organized Zionist Jewry, as the ruling, reigning, organized clique in America, sets itself up as a "super-tribunal" which is above everyone else (as a 'hidden power' even above our Constitution, as Sen. Jenner has intimated): in fact so high above that nobody may dare to mention it openly in any but the most favorable terms, nor even to quote from its incriminating literature. And our press has been so cowed and intimidated that it never dares to come out boldly and truthfully for strictly Christian Constitutional American objectives and principles "for fear of the Jews" and their recriminations and reprisals. Yet we must be happy to tamely swallow all this prejudice and discrimination against us? This is precisely the same situation as obtains in Iron Curtain oppressed countries, for which we profess to feel so sorry: when we are in exactly the same situation. Coming from a long line of native-born Americans of 1776 vintage, this writer does not recognize the right of any alien racial or religious cult to push me around in my own country, or to deprive me of my God-given Constitutional rights and freedom.

But, according to THEM, you are either FOR this alien cult and clique and their anti-Christian-American activities, or else! Some of us take our stand with the Christian Christ, and choose the 'or else,' preferring any odds rather than enslavement of the body, mind and soul. We stand for the freedom, truth, and the peace in our hearts that HE came to bring us, and for which HE gave His life. "Fear not them, which kill the body, but are not able to kill the soul; but rather fear Him which is able to destroy both soul and body in Hell." "Why are ye fearful, O ye of little faith?" As Christ said of a certain betrayer, "It were better for him that he had never been born." Such are the "traitors, heady, high-minded, lovers of pleasures more than lovers of God," spoken of in II Timothy 3:4. Christ foresaw these very days when He said, "And ye shall be hated of all men for my Name's sake: but he that endureth to the end shall be saved." It is now going to cost something to proudly carry that Name above ALL Names: one cannot be a do-less 'Christian:' especially since He said, "Think not that I am come to send peace on earth: I came not to send peace, but a sword." Better buckle on your sword, brother, and put on the whole armor of Christ, else you shall not be able to stand in the soon-coming days. "And he that taketh not his cross and followeth (not) after me, is not worthy of me."

If you do not stand and fight with and for Him, you certainly will not reign with Him, nor will you enter into His Kingdom. No longer may you straddle the fence. HE made the supreme sacrifice, and so shall you have to sacrifice to regain and save your freedom. Freedom is only for those who dare. This is a spiritual battle, not a political one, that is looming over the earth, in which the forces of darkness must, and shall be, defeated. This time Christ and His Hosts are coming in Power and Glory to fight for His people. There will be no other help except His. When the people call upon Him, He will respond.
